We understand the challenge of making decisions about what's best for your child's early education. Our registration process is designed to be quick and easy. Typically, it takes only four simple steps for you and your child to become a member of our family. We hope you will be just as excited as we are!

1. Email PlayandThriveKids@gmail.com to schedule a tour of the facility and to meet our staff.
2. An enrollment packet will be given to you after touring the facility.
3. You will need to turn in your completed Enrollment packet and necessary documents, along with your child's shot record, at least one day prior to the start date.
4. Payment of the non-refundable registration fee is due at the same time you submit your completed enrollment packet and necessary documents. The first week of tuition is due one day prior to your child's start date.

Please let us know if you have any questions. We look forward to hearing from you!
